

Large Capital fund - successful applicants

Tuesday 27 June 2017

These organisations have not yet received funding – they have been invited to make a full application for the amounts listed. We will then assess this application to decide whether to invest in their project.

London

English National Ballet

Dance £3,000,000

English National Ballet (ENB) has been invited to apply for £3,000,000 towards fulfilling a long term ambition to move to a new joint home (with English National Ballet School) on London City Island, Canary Wharf. It will create an industry-leading facility, with creative collaboration and learning at its core and transform how ENB takes the highest quality, pioneering productions to audiences locally, nationally and internationally.

Jacksons Lane

Combined arts £2,269,700

This renovation and modernisation project would update the facilities at Jacksons Lane's current home, a Grade II listed former Wesleyan Methodist church, and strengthen the fabric of the building. This project will be a model for retrofitting landmark buildings. It will provide a 21st Century centre for circus, theatre and cabaret.

Midlands

The University of Warwick

Combined arts £4,200,000

Warwick Arts Centre plans to transform its 40 year old building and will develop dynamic public spaces, a new accessible gallery and three state-of-the-art digital presentation spaces. It also aims to increased accessibility and environmental sustainability.

Leicester Arts Centre Ltd

Combined arts £4,177,802

Phoenix plans to remodel and extend its existing venue to significantly expand its capacity. The project will re-locate the digital arts gallery to a more prominent accessible position and will add new spaces for creativity, education and engagement. The plans will also create two new cinema theatres and expand their current café space to allow for more visitors.

Performances Birmingham Limited

Music £4,500,000

Symphony Hall will expand its foyer spaces to grow and diversify its audience and create an open and less formal entrance for its visitors.

North

Lakeland Arts

Visual arts £5,000,000

This award would help to support the redevelopment of the Grade I listed Abbot Hall Art Gallery and the remodelling of the wider Abbot Hall and museum site to create a sustainable and welcoming environment. The development would include reconfigured exhibition spaces, a new learning area and improved accessibility. It would also support the organisation's flood resilience by securing the collection storage and courtyard areas from potential flood risk.

Manchester City Council (Manchester International Festival)

Combined arts £7,000,000

The Factory will be Manchester's newest and largest arts venue aiming to expand the reach of the arts in the North. It will be a permanent home for the creative vision of Manchester International Festival enabling it to make and present a broad range of artistic and cultural experiences for its audiences.

North Music Trust

Music £1,234,735

North Music Trust (Sage Gateshead) would use this award to support the redevelopment of its Sage One performance space to enable the programming of popular and contemporary music acts and to upgrade communications and audio facilities across the building. The improvements would help the organisation to attract new artists and audiences, changing the perception of Sage Gateshead as a predominantly classical venue.

South East

Cambridgeshire Music

Music £1,000,000

Cambridgeshire Music has been awarded a development grant of £111,344 towards plans to create a National Centre for Research and Engagement in Arts, Technology and Education in North Cambridge. If successful, they will be awarded £888,656 for the redevelopment project.

Jasmin Vardimon Dance Company

Dance £3,069,279

If successful, Jasmin Vardimon Company will establish the Jasmin Vardimon Creative Laboratory, a purpose-built centre of creative excellence. It will include rehearsal and presentation spaces, dedicated training spaces, wellbeing suite and creative incubator spaces.

Kent County Council (Turner Contemporary)

Visual arts £3,000,000

Turner Contemporary Phase II will enable the gallery to improve accessibility and environmental sustainability.
