

*Whatever You're Working On,
Whatever You'd Like to...*
A Star-Map of Everyday Creativity

To help widen our horizons, we have created a map, based on our research, of the vast universe of creative activities people fill their lives with.

If you are thinking of offering your help, think about what you might have to offer at the new frontiers as well as within the universe you know.

Artforms...

***Places
and spaces***
