About this booklet

We are **Arts Council England**. We help artists and arts organisations be creative and make art and culture.

You are 1 of our **Creative People and Places** organisations, also called **CPPs**. This means we give you money to help with projects and activities.

Every year we ask you to fill in a survey called our **CPP Annual Survey**.

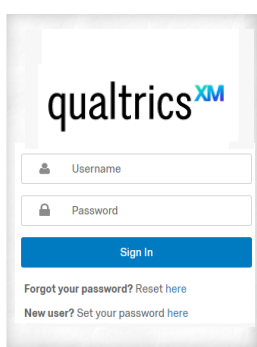

This booklet gives you information about how to fill in our survey.

How to fill in our survey

Our survey will be on an online system called **Qualtrics**.

We will send you a letter on 1st April to tell you how to log in to Qualtrics.

You must answer all the questions online by 31st May.

If you have any questions send an email to this address
