

## Draft Letter of Support from Partner Organisation (XX)

Addressed to:  
Relationship Manager  
Arts Council England

### **Renaissance Strategic Support Fund – Application from YY**

This letter is to confirm that XX has discussed the proposal to work closely with YY [Lead Organisation] in connection with the activities which might be funded by a grant from the Renaissance Strategic Support Fund from Arts Council England.

XX is prepared to commit to working with YY in the event that a grant is awarded. At that time we will enter into such contractual arrangements as might be appropriate to enable YY to deliver the agreed activities.

At this stage I anticipate that the assistance XX might provide will be [outline role of Partner Organisation].

This assistance is subject always to mutual agreement with YY on the details and to YY being awarded the grant.

Yours sincerely
