## **EXPLANATORY NOTE**

(This note is not part of the Licence)

The provisions of this Licence only apply for the purposes of the Export of Objects of Cultural Interest (Control) Order 2003 (S.I. 2003/2759) ("the 2003 Order"). This Licence permits (in some cases subject to certain conditions) the export from the United Kingdom to any destination (except an embargoed destination) of certain goods which were manufactured or produced more than 50 years before exportation. Exporters should note that this Licence does not remove the need for other consents that may be required for the export of particular cultural goods. In particular, where an export licence is also required by Council Regulation EC 116/2009 (which requires a licence for specified cultural goods exported outside the European Customs Union) exporters will also need an EU licence as well as a licence for the purposes of the 2003 Order. In such cases this Licence will not be valid unless an EU licence is also held.

This Licence does not affect any other prohibitions or restrictions on the export of certain types of cultural goods. Details of those types of goods can be obtained by contacting the Export Licensing Unit, which issues export licences for objects of cultural interest on behalf of the Secretary of State.
